

Giving Tree for Children in Foster Care

A warm, simple way for groups, businesses and organizations to collect holiday gifts.

How giving trees work

- 1** Print our gift tags — one set or many.
- 2** Cut out the tags. Hang them on a tree, or hand them out.
- 3** Set a deadline and a drop-off location.
- 4** Shop for new, unwrapped items; collect by your deadline.
- 5** Arrange drop-off or pick-up with Crossnore staff by **December 4**.

Print your gift tags

Download the printable tag set and start your tree today.
